

Regarding compliance with the Packaging Regulation 94/62/EC for Holmen Board and Paper's products and contents of PVC

Holmen Board and Paper is pleased to inform you that paper products produced by Braviken and Hallsta Paper Mill complies with the Packaging Regulation 94/62 EC. Holmen Board and Paper's paper products fulfil the requirements stated in Article 11. Our products are uncoated and made from fresh fibers. For this reason, no form of PVC is expected to be present in our products.
